OR

_____ Completion of third-semester college course (or 3 H.S. units) in one language **and** completion of second-semester college course (or 2 H.S. units) in a second language (e.g., two years HS German and French 203 at the university level).

Breadth: Exploring the Liberal Arts and Sciences

Humanities (H, L, Z), 12 credits including 6 credits of Literature (L)

_____ (Lit) _____ (H, L, or Z)

_____ (Lit) _____ (H, L, or Z)

Social Studies (S, Z), 12 credits

_____ (S or Z) _____ (S or Z)

_____ (S or Z) _____ (S or Z)

Science (B, P, N), 12 credits to include a 3 credit bio sci (B) course, and a 3 credit physical sci (P) course

_____ (B) _____ (B, P, or N)

_____ (P) _____ (B, P, or N)

Depth: Depth of Inquiry and Understanding a Field of Study

Understanding a Field of Study—students must complete the requirements for an approved major field of study. It is suggested that the major should be selected by the beginning of the Junior year.

Mastery of intermediate and advanced work

minimum 60 credits at the Intermediate or advanced level (I, A, D)

_____ Credits completed _____ Credits needed

Notes:

- This check sheet is NOT a complete list of L&S degree requirements. Consult DARS or the *Undergraduate Catalog* for a complete listing.
- The L&S Degree requires a minimum of 120 credits. The curriculum allows students to take up to 12 credits of “free electives” in the degree. Free electives may not be used to meet level or breadth requirements. A minimum of 108 credits must be LAS courses (C).
- Work in the major may count toward the breadth requirement.
- Students are expected to have met minimum admission and placement requirements. Consult your advisor and check your DARS report.
